

# JESSICA MCCULLOCH

## About me

I'm an outgoing, bubbly and creatively driven person who enjoys working in lively team. Having lived and worked across multiple countries, languages, cultures, and continents. I am a very adaptable and openminded person. I love learning how to apply new skills to my work, to grow and improve.

I'm looking to join a company or project where I can bring my experience to the table and be part of a team that celebrates sharing education with each other.
